

Report – Assembly VIII G

‘Save Environment’

Class VIII G presented a thought provoking assembly on the topic ‘Save Environment’ on 19th April, 2018. The children presented a ‘Nukkad Natak’ that made all realize the need to maintain a harmonious relationship with nature. They spread awareness about keeping our surroundings clean and pollution free

Senior Mistress, Ms. Shalini Arora appreciated the children for presenting a wonderful assembly and motivated others to join in this collective effort of preserving our environmental resources. She also presented certificates and medals to the students who had brought laurels to the school.
