

Report - Guest Speaker Programme

Guest Speaker Programme is an endeavour to widen the horizon of young learners and make them knowledgeable about various occupations. A session under this programme was held on 20th April 2018, for classes VI and VII. Dr. Shariqua Yunus, Head of unit Nutrition at World Food Programme and Dr. Niharika Deswal, an eye specialist provided valuable information to the students. These interactive sessions enlightened the minds of the enthusiastic students to the avenues available to them.
