

Report – Talent Fiesta, Class VIII

The students of class VIII participated in Talent Fiesta on 21st April, 2018. This activity provided a platform to the students to showcase their talent in different fields. The students enthusiastically participated in various activities like AdMad, Declamation and Craft Making (Best out of Waste).

Children also presented their views and thoughts on doing their bit to save mother Earth as we celebrate Earth Day on 22nd April. The excitement of the students was palpable throughout the event.
