

PICNIC TO BIO DIVERSITY PARK

“Children need the freedom and time to play. Play is not a luxury. Play is a necessity.” Kay Redfield Jamison

Children of class IX were taken for a class picnic on 31st October 2018 to Tau Devi Lal Bio Diversity Park. The children excitedly boarded the buses with their little back-packs. The yellow school buses, fully packed with students and teachers headed to the park. The students were extremely excited to reach the destination. All the students kept singing songs in the bus till they reached the venue.

The bright sunny morning made the day a perfect one for the outing. They gleefully played several games. A few students sat down under the shade of trees and started playing chess and snakes and ladder. It was a great opportunity to ensconce in the lap of mother Nature. After a tiring and fun-packed playtime, the children sat down to eat together the goodies they brought. Everyone had a big smile on their faces indicating they had had a great fun. After all the merry making, the picnic came to an end. But its memory will last forever in the tender minds of the students.
