### **Class - V**

*'You're off to great places! Today is your day! Your mountain is waiting so... Keep moving and get on your way!'*

Graduation Day was celebrated with much fun and gusto by the students of Class V on 23<sup>rd</sup> February, 2018 marking the end of a chapter at Junior School and the unfolding of a new one at Middle School for them.

The show commenced with the melodious school choir chanting 'Shlokas' invoking the blessings of Lord Ganesha followed by a heart-warming rendition of the songs of different states of our vibrant country. The students were awarded Graduation Certificates to mark this significant milestone in their lives. In her address, the Principal Ms. Aditi Misra congratulated the students at crossing a significant milestone in their lives. She thanked the parents for being the ambassadors of the school and her best 'advertisements.' She asked parents to join hands with the teachers to help raise confident, smart and articulate children who are ready to face the challenges of the 21<sup>st</sup> century.

'Happy Feet' showcased a plethora of events celebrating the unique diversity of India. The students exhibited their athletic abilities by performing yoga, aerobics and taekwondo. The mesmerizing performances of the students swaying to the lively tunes from Assam to Goa and from Punjab to Gujarat had the audience spellbound. The grand finale was a dazzling mélange of various Indian classical dances.

The Chief Guest Ms. Neera Chopra congratulated the school for the fantastic show and lauded the attention paid to every detail. She said that when students participate in school functions they learn life skills like collaboration, team work, precision, time management to name a few. She said that the primary years lay the foundation of values and life skills which help our children to grow into successful citizens.

The Headmistress of Middle School, Ms. Dipinder Kaur conducted the orientation program for the parents apprising them of the changes the students will experience in the next class. The program concluded with the vote of thanks proposed by the Headmistress, Junior School Ms. Laveena Hemrajani.
