

## **KET PET EXAM REPORT**

Fifty two students of classes V-VIII appeared for the KET/PET Exams, conducted by Cambridge English on 24<sup>th</sup> February 2018. The focus of these exams is on practical English Language skills of Listening, Reading, Writing and Speaking.

The children from the Junior and Middle school who had registered for the same participated with full passion and displayed confidence during their respective tests. It was a learning and enriching experience for the students as they moved from one skill to another. It inspired and helped them to boost their confidence to develop basic linguistics needed to interact in an English speaking environment.
