

MINI PTM CLASS IV

Mini PTM of grade 4 was conducted on 21st April 2018. The students performed before their parents on various topics taken from Social Studies, English and General Science. In Social Studies, they threw light on the process of election and the importance of voting in building a progressive nation. They also presented a poem describing the role of different parts of speech in the English language. They concluded their performance, through a skit, on the essential role of the food chain in our ecosystem. Their confidence displayed their clarity and in-depth understanding of these topics. The efforts of the students were deeply appreciated and lauded by the parents.
