BULLYING WORKSHOP REPORT

Bullying can threaten students' physical and emotional well-being at school and can negatively impact their ability to learn. Keeping the above in mind, a workshop on bullying was organized for the boys of classes IV and V on 27th February 2018. The workshop was conducted by Mr. Arjun Thadani, alumni and head boy of 2010 batch of students.

Mr. Thadani addressed the children and with the help of a vivid powerpoint presentation, apprised them of the nature and causes of bullying and how to react to a bully. The session was highly informative and gave the students the tools to recognize, report and resolve bullying. The workshop culminated with a question answer session wherein students candidly put forth their concerns and queries which were answered to their satisfaction. It was a great interactive session.
