

# **WORKSHOP REPORT**

## **SYMPOSIUM ON SCHOOL SAFETY**

Venue: Scope Convention Centre, Lodhi Road, New Delhi

Date: Wednesday, 27th September 2017

Participants: Ms. Renu Baijal ,  
Ms. Manjul Sahni  
Ms. Rati Chugh  
Ms. Harpreet Joshi  
Ms. S. Anjum

The one-day workshop conducted by **re:think india** focused on the Security Ecosystem of Schools. Delegates from five schools of Delhi-NCR attended the meeting. The conference addressed a variety of topics relevant to the main theme, including specific questions about the security system at large.

The workshop was divided into the following four sessions:

### **Session 1: Cyber Safety for School Children**

The session conducted by Mr. Dominic Karunesudas, Executive Director ISAC reinforced the importance of sensitizing the parents, teachers as well as students to think ahead, take control of their cyber security assets and infrastructure to predict and prevent security threats.

### **Session 2: Understanding Intertwined & Multi-Layered Security Ecosystem of Schools**

The session conducted by Mr. Desh Deepak, Former SP at CBI, stressed on the maintenance of a security manual for schools which clearly defines the roles and responsibilities of each cadre.

### **Session 3: The Legal Liabilities of School Safety**

The session conducted by Mr. Abhishek Tripathi, Managing Partner, Sarthak Law Associates discussed the legal liabilities of school and stressed on clearly demarcating the roles and responsibilities of the school and parents.

### **Session 4: Drug Abuse, De-Addiction and Preventive Solutions**

The session was conducted by Mr. Vasant Agarwal, an author, speaker and lifeskills consultant stressed on the importance of positive thinking and how it benefits us to have a more positive mental attitude.
