

## **Class XII-E-Assembly Report**

The ability to understand and share the feelings of another is what marks the quality of a true human being. An assembly on this theme of 'Empathy' was presented by the students of class XII E in the school auditorium on 29<sup>th</sup> March 2017. The Principal Ms Aditi Misra applauded the students on such a meaningful and thought provoking presentation. She said that if we are able to stand in someone else's shoes and feel with his or her heart, it will certainly make the world a better place. She emphasized that empathy is about finding echoes of another person in oneself, something each one of us must try and inculcate.

- The students brought laurels to the school in various categories:
  - Sathya Hari and Navoneel Bera were presented Preliminary Asteroid Discovery Award and Medals by SPACE for All India Asteroid Search Campaign 2016.
  - Ranjana Sinha secured the first position in the school in International Commerce Olympiad 2016.
  - Yagnesh Sharma was awarded the Times NIE Student of the Year award for the academic session 2016-17.
