

REPORT ON POSTER MAKING ACTIVITY on the topic: SAFE AND GREEN DIWALI

Diwali festival is one of the most celebrated festival in India that embodies joy and happiness but at the same time it is also associated with excessive bursting of crackers which contributes significantly towards the rising levels of noise and air pollution.

To impress upon the children, the importance of their contribution towards reducing pollution by not bursting harmful fire crackers during Diwali celebrations, an inter house poster making activity was conducted on the topic 'Safe and Green Diwali' on 5th Oct'17 for the students of the classes 3,4 and 5.

The creative strokes and the ignited minds of these young environmentalists painted and collated beautiful and thought provoking posters which were later displayed in the classrooms and created a perfect setting for the forthcoming festival season and reinforced the idea of celebrating a safe, green and pollution free Diwali.
