Study Vault is a premier education service provider with a holistic approach to create a conducive environment for the optimum development of the inherent abilities, requisite skills and traits in each student, to achieve the desired success in life. The entire faculty team is highly experienced and extremely focused. (For details visit the website: [www.studyvault.in](http://www.studyvault.in))

The result of the test will be uploaded on the school website by Study Vault, in January end. A detailed analytical report will be provided to all the students after this test. Based on the performance in the aptitude test, top 100 students will be considered for enrollment in a school integrated program. The total number of seats in this program is 80.

Students enrolled for the said program will have an integrated study plan (CBSE as well as competitive examinations). It will not only help in developing the spirit of inquiry amongst the students but also empower them with conceptual knowledge of Mathematics and Science, thereby laying a strong foundation of basics, thus equipping them suitably to undertake the challenges posed by various competitive examinations. These special classes will benefit the students and provide ample time for self-study and participation in other activities for holistic development.

With best wishes
