

Class X J presented the assembly on 27th March 2018 in the school auditorium.

The theme of the assembly was "Stephen Hawkings". The assembly started with a beautiful quote. Various instances of his life and achievements were highlighted to emphasize the importance of consistent hard work and overcoming difficulties to succeed in every phase of life.

A beautiful poem written by our student Ragini Varadarajan was recited which elaborated the difficulties and obstacles faced by Stephen Hawkings and how we can take inspiration from him.

Vice-Principal Ms. Santvna Thadani addressed the students and enlightened them with her words of wisdom and motivated them to take inspiration from the life of Stephen Hawkings, to be focussed and determined. She guided the students to use time wisely, make good use of resources and try to excel in academics.

Ms. Sapna Dhawan, Dean Student Affairs, also addressed the students and advised them to refrain from using social networks. She guided them about the various dangers associated with the social media.
