

## TRIP TO AGRA

*“Not all classrooms have four walls.”*

An informative and fun-packed trip to Agra and Bharatpur was organized for the students of classes IV and V from 27th to 29th September 2018. Agra was an ideal location for the educational tour owing to its vast history and architecture. The children thoroughly enjoyed their visit to Taj Mahal, the finest example of Mughal architecture. Agra Fort, the symbol of power, strength and resilience, piqued the curiosity of the students. Students were mesmerized by the variety of birds at Keoladeo National Park. The puppet show, music, and dance in the evening added an extra zing to the students’ happiness. They had loads of fun and enjoyed every bit of their tour.
