

YLE –Starter Exam report

Conducted at DPS –Primary Wing, SecTOR 47

The YLE exam was conducted for the students of class II on 30th November '17 at the Primary Wing. It began with the LWS module wherein 94 students of class II were distributed equally into groups and seated in 4 separate rooms. The resource people /invigilators came with their own equipment like papers, music player, posters etc. to conduct the listening, reading and writing sections of the exam. The first part of the exam lasted for about 45 minutes. This was followed by the speaking part of the exam where the external examiners tested the students individually for their speaking and comprehension skills. The children were sent back to their classes once they completed their speaking exam. The exam was conducted successfully with all the four sections being completed on the same day.
