

## REPORT ON ECO-ADVENTURE CAMP

### DELHI PUBLIC SCHOOL, GURGAON

*You must go for adventure, to see where you belong!*

To break the monotony of the routine and recharge the students with new energy, a fun filled Eco Adventure Camp was organized by Delhi Public School, Gurgaon at Najafgarh for the students of Classes IV and V on 28th November and Class III on 29th November 2018.

As the excited group ventured into the camp site, they received a warm welcome by the friendly staff of the camp. Thereafter, the students were divided into small groups and a guide was assigned to each group.

After relishing over a sumptuous breakfast, the students participated in various adventurous and thrilling activities like artificial River Crossing, Wall Climbing, Commando Crawl, Commando Net, Balance Beam, Tunnel Crossing etc. These day long activities helped to strengthen the bond of friendship and instilled teamwork.

Entertaining activities like Magic Show, Tractor ride, Camel cart ride etc. gave them a glimpse of rustic life. The day culminated as they happily danced on peppy tunes.

Overall it was a joyful trip with loads of adventure and excitement, thus making it a memorable day for the students.
