

## Storytelling

**“Storytelling is about connecting to other people and helping people to see what you see.”**

Expression and imagination can take us into a wonderland. A Storytelling workshop was organized on 2<sup>nd</sup> May’17 for the students of classes 4<sup>th</sup> and 5<sup>th</sup> which was conducted by a renowned storyteller Ms. Vinnie Mathur. She took our children into the land of imagination that came alive as the words took shape into the various vibrant characters of the stories.

Recreating the story in the young minds through enactment, voice modulation and expression, transporting the children to the land of Panchatantra, imbibing the morals of honesty and helpfulness through stories.

Students seemed fully engrossed in the flow of the storytelling. They were inspired to read more stories. Back from the land of stories children felt refreshed and they thoroughly enjoyed the session .
