

INTACH ACTIVITIES FOR THE MONTH OF OCTOBER

To celebrate Wildlife Week, DPS school INTACH group organized a bookmark making activity for the students of classes VI and VII. The children made beautiful bookmarks creating patterns by drawing footprints of different animals. They also wrote small messages to save animals on the bookmark.

A poster making activity during the Wildlife Week was held for class VIII. The theme being 'Treating animals with Respect and Kindness' children made beautiful posters. The aimed at creating awareness among the youth to have a passionate heart for the biodiversity around them.
