*Freedom is never dear at any price. It is the breath of life. What would a man not pay for living?*

To make the learners aware about what price our freedom fighters had paid to free our country from British rule and to ignite patriotism towards our nation, Social Studies Department organised a screening of 'Indian Freedom Struggle' and 'Samvidhan' movies.

'Indian Freedom Struggle' movie was shown to the students of Class V. The movie showcased how Indians revolted against British Rule due to their extreme exploitation. During this momentous period of our history, Mahatma Gandhi was undoubtedly the undisputed leader of millions of freedom loving people. It gave a glimpse of the Indian history starting from Revolt of 1857 till India's Freedom – 'Tryst with Destiny'.

The movie 'Samvidhan' was shown to the students of Class IV. It featured how our Constitution was made after rigorous sessions of Constituent Assembly headed by Dr B R Ambedkar and other prominent members. The journey of Constitution from inception till its enactment was shown. It laid out that how our ideals of Democracy, Socialism, and Republic were incorporated in the Preamble. Our Constitution continues to be our guiding light to make India the largest successful democracy of the world.

Young minds of Class IV and V felt closer to our past and appreciated the sacrifice of men and women who made freedom possible. It was a multi-sensory experience for the students and they imbibed a lot from the visual effects.
