

PEER EDUCATION SESSION FOR CLASS IX

“The price of greatness is responsibility”...Winston Churchill.

On the 2nd of May 2018, the Peer Educators of class XII conducted an interactive session for the students of class IX. The topic ‘Decision Making, Responsibility; and Substance Abuse,’ focused on responsible decision making, the factors that put people ‘at risk’ for substance abuse and suggested ways to resist peer pressure. Through role-plays and group discussions, assertive training techniques were imparted, teaching students to be alert, responsible and firm in saying “NO” to Substance Abuse.

Well done Peer Educators!
