

Assembly Report IX E

Students of class IX E presented the assembly on 24th August 2018 on the topic 'Believe in Yourself'. The students reinforced the importance and significance of having faith in oneself which helps one to succeed in life and achieve perfection.

Vice Principal Ms. Santvna Thadani presided over the assembly. Appreciating the concept presented, she emphasised how believing in oneself will open up endless possibilities in our lives as self-confidence is a quality one can develop for fruitful benefits. She also handed over the prizes to the meritorious students for their outstanding performance. She lauded the diligent students and inspired them to continue to work hard and urged others to put in more efforts, so as to reach the pinnacle of success. She urged all the students to remain disciplined and focused. She also addressed the students apprising them about CBSE rules, evaluation system and discussing the key mantras of achieving success in their upcoming exams.
