

Assembly – VIII F

‘A dream doesn’t become reality through magic; it takes sweat, determination and hard work.’

The students of class VIII-F presented an assembly on the importance of “Hard Work” and efficient “Time Management” on 8th February, 2019. The students talked about the importance of time management and hard work as examinations are fast approaching. They recited an inspiring poem reiterating that efficient time management can increase productivity, improve quality of work and also help to reduce stress. They also shared useful tips which would help the students during the examination time.

The Headmistress, Ms. Shalni Arora appreciated the efforts of the students and presented certificates and medals to the students who have brought laurels the school.
