

**Delhi Public School, Gurgaon**  
**Annual ITIHAAS ADDRESS: Report**

ITIHAAS organized the first Annual address on 6th February 2017 at the Convent of Jesus and Mary. The occasion was graced by the presence of His Holiness the Dalai Lama. Students of our school from classes IX and X attended the address where His Holiness spoke about Compassion and Ethics: Source of Happiness. He emphasized love and affection as the basis of survival and meaningful dialogue as the need of the hour. He asked students to combine compassion with education and understand the role of youth in carrying out changes. The Address ended with a question and hour session where His Holiness answered the question asked by our school students on how young people can contribute to global issues. His simple answer was through awareness and small acts of kindness to spread happiness and love.
