

ASSEMBLY REPORT

“I regard theatre as the greatest of all art forms, the most immediate way in which a human being can share with another the sense of what it is to be a human being” -Oscar Wilde

On 10th August, 2017, the senior students of the theatre club of our school presented a thought provoking skit on rage, one of the navras, which enthralled the audience. This was followed by a dance performance ‘Abhivyakti,’ an amalgamation of music and dance based on the theme of ‘karuna’ or compassion. It is truly said that it is only through performing arts that we feel connected and share a deeper bond with others, as was conveyed by this dance-drama spectacle. The Principal Ms. Aditi Misra, presided over the assembly and applauded the students for their stupendous performance. The Vice Principal, Ms Santvna Thadani, Dean, Student Welfare, Ms Sapna Dhawan and Headmistress, Ms Arpna Gupta were also present on this occasion.
