

MINI PTM REPORT -CLASSES IV, V

“Learning while having fun never exhausts the mind nor is forgotten.”

The second mini PTM of classes IV and V was held on 27th October 2018.

The parents were delighted to watch their young ones speak with great clarity and confidence as they explained various topics learnt by them in different subjects in a fun filled manner.

In Math, the young learners of class IV presented a short skit on the topic-Fractions whereas in Hindi the students enlightened the audience with the prominent work of the well-known poets of the Hindi language. They also recited beautiful poems learnt in their chosen 3rd Language. The students of class V in English subject confidently presented a poem on the significance of Homophones. They also showcased their knowledge of oceans and continents in Social Studies while in General Science, the topic ‘Human Skeletal System’ was depicted creatively.

The parents were filled with pride as their little ones spoke with great conviction. They also appreciated the efforts put in by the teachers and the school towards the holistic development of their wards.
