

MOTHER/ FATHER'S DAY CARD MAKING ACTIVITY REPORT

‘The most beautiful thing in this world is to see your parents smiling and knowing that you are the reason behind that smile.’

On the occasion of mother's day and father's day, a card making activity was organized for the children of classes 3, 4 and 5 on 11th May'17. The children enthusiastically made cards for their parents using eco-friendly materials like pencil shavings, paper cuttings etc. They affectionately decorated their cards and wrote loving quotes for their parents. It was heart warming to see children make beautiful cards and express their love and gratitude towards their parents.
