

Delhi Public School, Sector 45 Gurgaon
Report on Dilli Darshan
Class V

Delhi has history in all its vigor and colour. It's a place where history breathes its magic all over. The students of Class V got an opportunity to visit Delhi in the course of an educational trip on 12th October 2018.

As the bus made its way through the North and South Block, the panoramic view of Parliament House, Rashtrapati Bhavan and several other state buildings filled the children with enthusiasm.

The first halt was at the pinnacle of Mughal creativity – Red Fort, one of the massive and prominent structures of India. Students wandered on the passages of the fort and inquisitively asked questions as the guides enriched them with the history and facts about Red Fort.

The next destination was the residence of former Prime Minister of India, Indira Gandhi Museum which had a rare display of photographs of the national movements as well as family memories.

Post lunch, the convoy made its way to the underground astonishment of Rashtrapati Bhawan Museum Complex. The museum showcases a collection of relics associated with each of the past Presidents of India. The huge spectacle of gifts received by them, the photographs related to the freedom movements and other historical artifacts left the children awestruck.

As the Sun went down, the group too retreated to its terminus, contented and enriched. The outdoor exposure and interaction promoted learning and instilled a sense of responsibility in students.
