

Good Readers Visit to Crossword Bookstore

Class V

“Between the pages of a book is a lovely place to be.”

Reading can spark a child’s imagination, stimulate curiosity and help in his overall development. Keeping the above in mind, ‘Good Readers’ of class V went for a visit to the Crossword Book store, Cyber Hub, Gurugram on 9th February 2018.

It was an ideal place with its large children’s section having a wide range of books. The young readers eagerly browsed through the treasure of literary culture stacked on each shelf. It was an enriching experience for them as they independently explored and selected books of their interest varying from fiction to facts and puzzles to poems. They were overjoyed to buy their favourite books and were quite excited as they returned back to school with contentment writ large on their faces.
