### 'Karo Sambhav' Felicitation Round

**Venue:** Suncity School Gurgaon

**Date:** 15<sup>th</sup> Feb 2018

D.P.S Gurgaon participated in the felicitation round of Karo Sambhav –an e-waste management initiative of Microsoft where our school was awarded the **Platinum award** for our active participation in the programme. The workshop was conducted by resource person Ms. Swati Ganguly, Founder Director of Juana Technologies. Our school also bagged the awards for '**Best execution of tool kit**', '**Best community outreach**' and **Certificate of completion**.

Karo Sambhav Program-2017-18 consisted of three phases divided over a period of 4 months. In the initial phase, teachers were given a training on the specially designed toolkit for the programme. Thereafter, teachers worked in their schools with the students on various activities, community projects and practical field-work. The exemplary efforts made by D.P.S Gurgaon towards creating awareness was appreciated.

A team comprising of five students (class fifth) presented a rap song to highlight the importance of proper management of waste.
