

ASSEMBLY REPORT

CLASS XII

Students of class XII-K presented an assembly on the topic 'New Beginnings' in the school auditorium on 9th March 2018. They encouraged their friends to forget about past failures and focus on the opportunities ahead. This was followed by felicitation of various class rank holders of class XI for the session 2017-18. The meritorious students were congratulated by the Principal Ms Aditi Misra. She also awarded medals and certificates to the students of commerce stream who secured top three ranks in the International Commerce Olympiad.

The Principal then addressed the assembly, encouraging the students to work hard in their final year of school and maintaining balance between academics and co-curricular activities. She also urged students to work hard academically and be well prepared for all examinations to come. She highlighted the importance of getting good marks for students for getting into colleges and schools of their choice. She expressed her appreciation to the teachers who worked hard to ensure their students' welfare. This encouraging speech marked the culmination of the assembly.
