

**PTM REPORT**  
**Classes IV and V**

A Parent Teacher Meeting was organized on 12<sup>th</sup> May 2018 for classes IV and V. The meeting provided a platform for the parents to interact with the subject teachers and get an extensive feedback about their ward's performance in the class. The parents and teachers exchanged their ideas and suggestions for achieving the common goal of enhancement of the child's cognitive skills.

The creative activities conducted in different subjects were showcased through the journals. It displayed the efforts put in by the teachers as well as the children to make the teaching-learning process interesting and fruitful.

The parents appreciated the efforts and guidance provided by the teachers and were grateful towards the teaching staff for their continuous support and cooperation for making the students evolve and prosper in all aspects.
