

HERITAGE WALK TO CHANDNI CHOWK

DPS Gurgaon in collaboration with team ITIHAAS, organized an educational trip for the students of class VIII to Chandni Chowk- The hub of secularism. The students initiated their walk from St. Stephen's Church where they were given a brief history about the church.

The students got an opportunity to interact with the Imam of the Fatehpuri Mosque where questions about the Islamic law and history of the mosque were answered. The students then visited Gurudwara Sis Ganj Sahib where Guru Tegh Bahadur was beheaded on the order of the Mughal emperor Aurangzeb. The walk enlightened the students that the essence of all religions is one although their approach may be different.
