

## Rainy Day Campagin-2018

“Empathy is seeing with the eyes of another, listening with the ears of another and feeling with the heart of another.”

Delhi Public School, Gurgaon collaborated with Cankids...Kidscan to participate in the **Rainy Day Campagin-2018**. The main aim of the initiative was to sensitise students about the health risks of children afflicted by cancer during the rainy season, owing to their weak immune system. Advocating the right to good health for these children and supporting in their fight against diseases like dengue, flu and pneumonia, contribution was sought in form of mosquito repellents, sanitisers and masks.

The staff and students of the school supported the campaign wholeheartedly by contributing liberally for the cause. Seven cartons of the proposed items were dispatched to the organization.

The compassion displayed by DPS family towards the initiative echoed the ethos of the school motto ‘**Service Before Self**’.
