

## Report on HT Pace Workshop

### CLASS III

“Develop a passion for learning. If you do, you will never cease to grow.”

A workshop on “Fun with Spellings” was held for the students of class III on 8<sup>th</sup> and 9<sup>th</sup> May 2017. The resource person, Ms Anuradha Majumdar, very conveniently connected herself with kids. She explained them the rules of phonetics and different ways to avoid spelling errors. It was an enriching and fruitful workshop for students.

### CLASS IV

“The essence of mathematics is not to make simple things complicated, but to make complicated things simple.”

With the aim to hone the mathematical skills of the students of class IV, HT PACE conducted a workshop on Vedic Maths. The workshop was conducted by Ms Pavleen, Ms Preeti and Ms Jyoti on 4<sup>th</sup> May 2017. They introduced easy tricks to simplify even the long calculations. The whole workshop offered an interesting way to teach and learn mathematics and provided a fresh insight into our number system. The purpose of workshop was to make the students more comfortable with Mathematics and to enhance calculation speed for various mathematical problems.

### CLASS V

“Art takes nature as its model.”

An engaging and enriching workshop was conducted by HT PACE for the students of class V on 8<sup>th</sup> and 9<sup>th</sup> of May 2017 by Mr Nirmal Singh on easy sketching techniques using various common shapes as base. The technique involved judging the appropriate shape and size of an object. The children enjoyed the simple steps taken for sketching various common things like a cycle, car, auto rickshaw, bus and animals. It was a great way of developing and enhancing the hidden artistic talent in the young children. The children loved the concept and enthusiastically participated in the activity.
