

Report – Behtar India Campaign - 2018

Behtar India Campaign-2018 was a unique campaign that rallied different segments of the society to work towards making their cities cleaner, greener and healthier. Our school was a part of all their three initiatives: Behtar Vatavaran, Behtar Swachhta and Behtar Swasthya.

In the campaign, our school secured overall **Fourth position in the North India Zone and a Bronze Trophy**. We appreciate the immense support and contribution received from students as well as their parents for this initiative.
