The bright winter morning of 20th December 2018, witnessed lots of cheering, fun and frolic as DPS, Gurgaon organised its annual Senior Athletics Meet. The event had a plethora of different team and track events. Students enjoyed sports like cricket, badminton, lawn tennis, football etc. These team competitions taught them to work in unity as a team whilst they competed with each other in a fair game.

The day began with an exceptional march past by the contingents of the six houses followed by the oath taking ceremony where the students pledged to play honestly and keep their house and school flags soaring high. Later the sports captains along with the Principal released the balloons and the meet was declared open. In the opening speech, the school Principal, Ms. Aditi Misra motivated the students to give their best yet to accept their defeat with their head held high. She said that a true sportsman was someone who got up even when he couldn't. Further, she went on to say that sports and games not only enhance our personality with our holistic development but also teach us sportsmanship and team spirit.

The daylong event was a fruitful experience for one and all. The special surprise race for the teachers of the different houses added to the fun. All in all, it was a day well spent and as the meet was declared close, all hoped to have an equally enthusiastic meet in the coming year too.
