

**PTM FEEDBACK**  
**Classes III and IV (Session - 2017-18)**

*“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents.”*

In an endeavour to facilitate holistic development and discuss the progress of the children, Parent Teacher Meeting was held on 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> February 2018 for classes III and IV.

Prolific discussions were held wherein suggestions and ideas were exchanged. Class teachers conferred elaborate feedback specified by the subject teachers. Journals were displayed to provide an overview of the activities done in all the subjects.

The parents appreciated the smooth functioning of the school and expressed their efforts being put in by all the teachers in shaping their wards personality across the spectrum of academic, co-curricular and extra-curricular activities. It was a positive and fruitful interaction with the parents.
