

IMPACT ASSESSMENT OF SKILLD BY PWC

PWC team along with Mr. Rahul Augustine (Program coordinator tGELF) visited DPS Gurgaon on November 7,2017 for assessment of SKILLD program .The team had an interactive session with the principal Ms. Aditi Misra. The analysts interacted with Principal ma'am on how the program was initiated and various aspects of the program were discussed .Then team interacted with students of grade VIII to XII and a feedback was taken .The students were asked to fill a questionnaire which comprised of various questions from ethical leadership, teamwork and many other aspects of life skills being covered in SKILLD curriculum. The analysts asked students to share their views and experiences on tGELF sessions . After that analysts had an interactive session with teachers of grade VIII to XII .A feedback was taken as to how the tGELF sessions have impacted the students. During the course of interaction teachers also shared their experiences of conducting various activities in class and how these sessions have provided a platform for students to introspect. Towards the end of the meeting ,the teachers also shared their views and ideas to make these sessions even more interesting. Overall it was a fruitful session
