

Special Assembly on Basant Panchami

A special assembly was organized on 19th January 2018 by Chenab House for the students of Classes III, IV and V to welcome the onset of the spring season. Senior Student Council members initiated the assembly by interacting with the Junior wing students and enlightened them about the importance of the festival of Basant Panchami. It was followed by Saraswati Vandana and a skit apprising the students about how this festival is celebrated in different parts of India. After this , the little ones recited a poem highlighting the significance of the same. The assembly culminated with a mesmerizing dance performance by the students on the tunes of the choir.

Ms.Sapna Dhawan, Dean (Student Welfare) welcomed the children after the winter break and conveyed her New Year wishes to the students and their families. She highlighted the significance of the yellow colour. She asserted that smiles are yellow as they denote happiness. She also urged the students to donate books and uniforms for the Shiksha Kendra students to bring smiles on their faces too.

CEEC Activity: Health and Fitness Day

Health and Fitness Day was observed in Classes III, IV and V on 20th January 2018 with the help of Junior Health Council members. Presentations were shown to the students on the topics- Green is healthy, Forgotten foods and Eat a rainbow in classes III, IV and V respectively. This was followed by an interesting quiz and poster making activity on the same topics. Children also enjoyed healthy snacks brought by them in their tiffins and learnt that a healthy lifestyle not only changes our body but it also changes our mind, heart and our attitude.
