

Class II-Grandparents' Day Celebration-Bond of Love

A grand celebration took place on two days consecutively i.e. 15th & 16th February 2018 to celebrate Grandparents' Day- Bond of Love in the Primary Wing. The show strongly emphasized upon the role of grandparents in shaping up the personalities of their grandchildren and how the grandchildren must take care of their grandparents who are a true treasure of love, care and affection. The students staged a play Eidgah to show the unconditional love of Hamid towards his grandmother along with a prayer, song and a speech given by every student on the topic Adorable Grandparents which echoed the importance of the elders of the family. Grandparents were also given takeaways. It was a great bonding time both for the grandparents and their grandchildren.
