

The students of class Prep presented their annual talent show, 'Panchtantra', on 10 February, 2018. Ms Jyoti Choudhary, Director, SCERT, graced the show. The charming animal stories of Panchtantra, the literary masterpiece, were elegantly adapted and presented through the medium of song, dance and drama. The impressive performances were based on stories covering varied topics such as respect, caring for friends, commitment to morality even in trying circumstances, and keeping promises. The audience was enthralled as the stories unravelled one after the other with the little artistes donning theme based costumes. The Principal, Ms Aditi Misra lauded the efforts of the children in putting up a spectacular show. Ms Rashmi Singh, the Headmistress, proposed the vote of thanks while thanking the parents for their wholehearted support for all the endeavours of school.
