

Educational Tour to Jim Corbett National Park and Rudrapur

Class XI (16 to 18th February, 2017)

‘Nothing beats as hands-on experience to deepen learning.’

Keeping in tandem with the aforesaid paradigm Delhi Public School, Gurugram, organized a three-day educational trip to Jim Corbett and Rudrapur for the students of class XI from 16th February to 18th February, 2017. The Safari to the Tiger Reserve at Jim Corbett was a thrilling experience as the children saw wild animals like the tiger and the elephant in their natural habitat. Adding to this they also spotted deer, wild boar and variety of birds which further augmented their excitement.

The trip to the Industrial town of Rudrapur gave them the opportunity to visit the factories of Parle-G and Rite Size fasteners. The tour to these factories gave them an insight into the latest technology used in the process of developing goods from manufacturing to packaging.

Overall it was an informative tour which opened the young minds to new ideas and learning.
