

tGELF Skype Session

A skype session between the teachers of classes VIII –XII and the Program director and coordinator of tGELF Ms. Dinu Raheja and Mr. Rahul Augustine was held on 15th January 2018 at 11:30 am. It was a feedback session where the teachers of classes VIII –XII spoke about the way tGELF sessions were conducted in the classroom and the response of the pupils to the same. Some of the interesting activities were referred by the teachers during the interaction and about the way students take interest in class discussions and activities related to the modules.

Besides the interaction about the various sessions teachers extended few positive suggestions in order to bring some novelty to some of the modules. Suggestions were very objectively welcomed by the tGELF committee.

Over all it was a fruitful interaction of around 20 minutes per class that wined up on a positive and satisfactory note.
