Why Choose the Oxford Scholastica Academy

The Oxford Scholastica Academy is a **fully accredited Oxford Summer School**. When booking with us, you'll have the choice of a range of specialised courses put together especially for bright 13-14, and 15-18 year-olds from the UK and around the world. You'll have the chance to explore the subject of your choice and get hands-on experience discovering your potential future career path, preparing you for university and professional life.

You'll live and study on the famous University of Oxford campus, have 24-hour support, security and care from our specialised staff, and be taught by subject experts, many of whom have studied or currently teach at leading universities such as Oxford and Cambridge.

Having been rated 4.9 out of 5 by past students and their parents on independent review sites, we must be doing something right!

Oxford is the home of Oxford University, where our campus is...

...Oxford University is the oldest English-speaking university in the world. It has educated 51 Nobel Prize Winners, 26 British Prime Ministers and 50 Olympic medal-winners (who have won 158 medals).

Remember, we're not part of Oxford University, but we use its facilities each summer.
