

## Report on “COLOURS OF COMPASSION”

“As the Sun colours flowers, so does Art colour Life.”

To create their own definition of compassion, colours were combined for the students of class 3,4 and 5 in the form of an activity organized on 15 May 2017 by ‘Akshaya Patra’. It is the world’s largest NGO that runs Midday meal programme serving wholesome school lunch to over 1.6 million children across 12 states in India. The suggested themes for the activity were : Food for all, Each one – Feed one, Nourishing the future and Zero food wastage. Students culminated their ideas in the form of posters, drawings and slogans. The competition not only served its sole purpose of concern for the misfortunes of others but also gave students a platform to display their vivid ideas. The activity helped spread the awareness among students that food should not be wasted but given to the needy.
