

Educational Tour to Jim Corbett National Park and Rudrapur

Education is not just going to school, it is about widening your knowledge and absorbing the truth about life by being a part of nature.

Delhi Public School, Gurgaon, organized a three-day educational trip to Jim Corbett and Rudrapur for the students of class XI from 17th February to 19th February, 2019. The Safari to the Tiger Reserve at Jim Corbett was a thrilling experience as the children saw wild animals like the tiger and the elephant in their natural habitat. They also spotted deer, wild boar, peacock, wild eagle and variety of birds which further added to their excitement. The day culminated with students grooving to the music of DJ.

Visit to the ancient Garjiya Temple situated near the Kosi river helped connect the millennials to their cultural roots and heritage. After the temple visit, a trip to the industrial town of Rudrapur gave them an opportunity to visit the factories of Parle-G and Graffiti. The tour to the factories gave them an insight into the latest technology used in the process of manufacturing food products right from raw materials to packaging.

Overall it was a very informative tour which opened the young minds to new ideas and learning.
