

Safe and Nutritious Food at School

Two teachers, Ms Mridula Pattanath and Ms Jyotika Kapoor, attended a programme organized by the Food, Safety and Standards Authority of India (FSSAI) on 6th September, 2018 at the FDA Bhavan, New Delhi. The aim of the initiative was to create Health and Wellness coordinators in schools to look into the nutritional value and safety of food.

Ms Namrata Khanna, Project Lead for 'Safe and Nutritious Food at School' (SNF@SCHOOL), advised the participating teachers and students to take their certification for the same.

Dr Eram Rao, Associate Professor, Delhi University, gave a detailed and a very informative presentation on safe and nutritious food, food contamination, allergies and the need for training canteen personnel.
