

The lord mayors student leadership Challenge for young women was a life time experience providing them with a chance to interact with people from diverse backgrounds; share their aspirations and their future goals with them. . a team of four students from our school from classes 10 and 11 were chosen to participate in the same. the interactive conference spread over a span of 5 days in the heart of London at the mansion house which is the official residence of the lord mayor. The students met and interacted with successful women from all walks of life and were sensitized about various issues such as gender discrimination and women empowerment. The students also got the opportunity to visit oxford university and the old bailey criminal court and personally interact with the lord mayor and the lady mayoress. The inspiring women speakers made an impact on our way of thinking and how we perceive things, broadened our horizons and gave us a new, sparked zest and confidence to strive for our goals. The personal experiences and stories of the influential speakers helped us realize the importance of some of the very minute but crucial aspects of life, such as learning from failure and moving forward, accepting all opportunities that come our way and making the best out of them, taking risks in life and so on.
