Training The Trainer-A Workshop on Hepatitis awareness

Theme: Increasing awareness of Hepatitis

Venue: Medanta –The Medicity

Date: 25 July 2017

Accompanying Teacher: Grishma Sharma

A team comprising of four students (class eleventh) along with a teacher attended a workshop on ‘Hepatitis Awareness-Training the Trainer’. The workshop was followed by a poster making competition on the topic ‘Eradication of Hepatitis’. Our school won the first prize. The event saw young enthusiastic participants from different parts of Gurgaon putting up posters on Hepatitis which provided information on the importance of prevention, getting tested and knowing treatment and care options for Hepatitis. The enthusiasm and skill of the participants was very inspiring.

The students also presented a small skit on Hepatitis. It was a good social initiative for spreading awareness about Hepatitis
