

Never get tired of doing little things for others. Sometimes, those little things occupy the biggest part of their hearts.

Sandhi- The Connect is a tGELF Youth Leadership Programme wherein the young leaders have taken up the responsibility of providing holistic and quality education to the students of government school. Under this initiative, the event, 'Spandan' was organized to provide creative education in a fun filled environment. The student volunteers of Project Muskaan of Delhi Public School, Gurgaon under this twinning project visited the Government Girl's Primary School, Kanhai on 25th September 2017.

The students distributed home- baked cake slices along with bananas to 147 children of the aforesaid school thereby living up to the school motto 'Service Before Self'. The joy of giving and sharing exalted the spirit of the gathering.

Further strengthening this bond the children of Government School Kanhai will be visiting Delhi Public School, Gurgaon for another round of interesting activities in the month of October.
